### **Bulletin 1 – Amendments to Final Instructions (1)**

#### **Equipe 70s/Pre63/50s – Race Start Procedure**

In accordance with MSUK general regulation Q12.12.3, a split start method will be used for this race. The '70s class will form the front of the grid and their race will start when the red start lights are extinguished. The second part of the race for the Pre '63/50s classes will start their race 10 seconds later when the starter drops the union flag. There will be a 1-row gap between the two starting groups.
