Bulletin 01

CMMC Southern Saloons Series – Race Start Procedure

This will be a rolling start with the Intermarkes in the front grid with the rest approximately 10 seconds behind. The front row on the second part has responsibility for maintaining the 10 second gap.

The first part of the grid will start on the lights, the second part on dropping of the national flag.

Bernie's V8's feat. CALM All Porsche Trophy – Pit Information

Pit window is between 15 and 25 minutes of the race.

Cars to be stationary for 60 seconds. (76.6 elapsed time from pit in to pit out).

Pit lane speed is 60 kmph.

Any driver changes can only be conducted once the engine is switched off. Single drivers may remain in the car.

The penalty for any short pit stops, pit lane speeding, stopping outside of the window, along with any other pit stop breach is a drive through penalty.

Refuelling during the pit stop is permitted but only with notification to the clerk of the course before the race. Refuelling can only be conducted when a marshal with a fire extinguisher is present.
