Bulletin 1

Race Start Procedure

1. The countdown will begin in the Assembly Area for all races.
2. The green flag lap will commence upon cars being released from the Assembly Area to complete one full lap.
3. After completing one full lap, cars will then stop on the grid.
4. Once all cars have been gridded, the starting procedure will be as follows:
 - I. 5 second board will be displayed
 - II. RED lights switched ON
 - III. Red lights switched OFF
 - IV. Race start
