## **2. Monday 13:15 – 13:35 mandatory pit walk & autograph session**

- Please push all available cars out of the garage into the working lane.
- **All drivers** must be present in front of their garage or pit allocation, for autograph signing.

## **3. Radio Checks**

- Radio checks will be made daily before the first session. It is mandatory to reply to the radio check “copy” and the relevant car number(s) via the teams messaging app before the first session of the day, not every session (only when requested).

## **4. Fire Extinguisher**

- Each team’s fire extinguisher will be checked by the BGT pit managers during this weekend. New purchase receipt or current valid service certificate is required.

## **5. Onboard Camera and Pit Area Camera Footage**

- If the race director requests your onboard or pit area camera footage via the app or radio, the team must deliver the requested footage to the race director office (1<sup>st</sup> floor Race Control Building) as soon as possible.
- All recordings need to be correctly labelled, time and date stamped.

## **6. Race Control, Race Director and SRO Office**

- Drivers may be summoned to see the Race Director during the weekend, if required.
- The Race Director office will be located in the Race Control building – 1<sup>st</sup> floor.
- The SRO office will be located in the RV beside Garage 1.
- The main mode of communication with the race director will be on the race control radio channel, the team messaging app and should the race director need to speak to the team manager in session please come to race control when requested.

## **7. Driving Standards**

- ALL drivers to take care whilst on track during all sessions. GT4 cars must pay attention looking in mirrors before overtaking, checking that no cars are approaching, GT3 cars to take care when overtaking GT4 cars.
- Remember if you are the faster car, it’s your responsibility to find a way round the slower car. Slower cars must hold their line. Any careless driving will be addressed.
- Driving standards must be irreproachable.
- All cars must have lights on at all times, GT4 cars yellow lights.

## **8. Pit Lane:**

- Speed Limit in the Pit Lane is **40 Kph**.
- STOP GO penalty box is located at **Pit Exit**
- Cars located in the Paddock must be ready to access their pit allocation in good time before the session.

Round 1&2 Oulton Park 30<sup>TH</sup> March – 1<sup>ST</sup> April 2024

Bulletin 6 – Driver Briefing Notes

- Your pit allocation / working area, must be prepared for inspection on Friday afternoon by the race director and pit managers. Adjustments may be made during FP1, but by PQ, teams pit allocations are set, no more adjustments concerning your neighbours and other pit allocations.

## 9. Leaving Garages/Pit Lane location:

- GT3 will be given permission to leave their location in the Pit Lane **first** to queue in the Fast Lane before the start Free Practice 1, Pre-Qualifying and Warm Up, but only after a signal is given from Race Control by means of a radio message or a message on the timing screen.
- A second signal will be given to GT4 cars enabling them to leave the Pit Lane very shortly after.
- Anyone moving before the signals, will be investigated.
- Skates are permitted to position the car correctly at the start of any session.
- At the start of Free Practice 1, Pre-Qualifying, the first Qualifying session, Warm up and release of the cars for both races, all cars to be released nose out 45 degrees towards the pit exit.
- When returning to the pits during the above sessions, cars to come in at 45 degrees nose in, car pushed back safely by mechanics. Between Q1 and Q2, Q3 and Q4 skates may be used.
- Skates are permitted at the end of all sessions to get the car back in the garage **apart from** at the end of each categories Qualifying sessions – end of Q2 (GT3) and end of Q4 (GT4), where skates are not permitted, when cars are under parc ferme.
- **Cars located in the Paddock:**  
**After FP1 and PQ:** return to the Paddock via the parc ferme area. If you are in the pit lane at the end of FP1 or PQ push the car back to the paddock  
**After Qualifying and Races:** your car will be directed into the parc ferme area, under parc ferme conditions, only return to your paddock location when parc ferme is lifted or when instructed to do so by an official.
- No overtaking in the pit lane during any session.
- No unsafe releases when reversing the cars back out during the pit stops – special care with this, offences will be penalised.
- During pit stops in the race cars may only leave/move, once “Pit Stop work” is fully completed and they are ready to re-join the Race.
- When ready to re-join they will be pushed back, engage a gear and released into the fast lane.
- The process of push back and release will be monitored and **any car that takes longer than approximately 4s will be investigated.**
- Cars must proceed directly into the Fast Lane. Any car stopping after leaving its location or proceeding at an unsuitable pace in the Fast Lane (except for force majeure), will be investigated. Unsuitable pace is considered less than 30kph and being used to pad out your pit stop time.

## 10. Track Limits:

- A report of track limit breach may be made by a judge of fact when any part of the contact patch of a tyre has clearly run beyond the edge of the painted kerb.
- Track Limits will be monitored around the track, with particular focus at **Turn 1, 3 and 14** using automatic cameras and judges of fact.
- **Free Practice:** repeat offenders may receive a black flag, both drivers report to race control.
- **Pre-Qualifying:** any lap time set with Track Limit infringements will be removed, but the lap will be counted.
