## **Bulletin 2 – Start Procedures & General Information**

### **START PROCEDURES**

For all races, the following start procedure will be used.

- 1 minute, and 30 second countdown boards will be displayed in the assembly area
- Cars will be released from the assembly area, straight into the green flag lap - **no stopping on grid**

#### **For Standing Starts**

- Once the lap has been completed, cars will be lined up on the grid by the start-line marshals (do not enter the grid at speed!)
- Once the grid is complete, the 5 second countdown will begin with board displayed
- Lights On
- Lights Off - Race start

#### **For Rolling starts**

- We will go directly into the rolling start after the green flag lap
- Please note any additional information provided by your clerk during your drivers briefing

### **TRACKDAY TROPHY – GREEN FLAG LAP**

Trackday Trophy **WILL** have a Green Flag Lap.

### **ASSISTANT CLERK**

Sue Tanser will be an Assistant Clerk throughout the event.
