### **Bulletin 3 – Clubmans Sports Prototype Championship Start Procedure**

For the remainder of the meeting, Races 2, 3 & 4, the procedure prior to the start will be as follows:

1. On instruction all cars will leave the Assembly Area and proceed directly onto track.
2. The Safety Car will lead all cars on a full lap and return slowly to the grid where cars will line up in grid order.
3. The countdown will then commence at 1 minute, 30 seconds. Cars will then be shown the Green Flag for a formation lap.
4. On return to the grid when all cars are in position the 5 second board will be shown followed by the Red Lights illuminating. When the Red Lights are extinguished, the start is given.
