Due to the extended time required for circuit barrier reconstruction following an incident earlier in the day, the second GT Cup race today will follow the format below:

**Duration:** 30 minutes (scheduled race start 16:58)

**Pit window:** There will be a single pit window, for all cars, between 14:00.000 and 18:59.999 minutes elapsed race time. Competitors are reminded to respect the standard GT Cup pit lane safety rules and regulations.

**Success seconds (championship regulation 3.2):** Success seconds penalties have been scaled in line with the reduced race duration, to 15 seconds (1<sup>st</sup> place), 11 seconds (2<sup>nd</sup> place) and 7 seconds (3<sup>rd</sup> place).
