Bulletin 2 – Amendments to Final Instructions

RACE STARTS:

CMMC

Both races will be a rolling start with a split grid. The intermarques will start at the front with a 10 second gap to the rest of the classes starting behind. The front row of the second grid will be responsible for holding the gap.

Race two grid will be formed from the results of race one. However, the intermarques will be partly reversed with the number of cars determined by a ballot held after race one.

CSCC (Sunday):

This will be a split start, with Turbo Tin Tops starting on the lights, and WOSP New Millennium starting between 10 and 20 seconds back, on the drop of the national flag.
