BOP: Additional Time Additions for Classes in HTCC

To respect the BOP regulations the below time additions are mandatory for the mentioned classes in the MRL Historic Touring Car Grid. These times should be added on to the minimum time (60 seconds) that a car should be stationary during its Pit Stop.

Class HT5C: +90 Seconds

Class HT4C: +45 Seconds.

For all other classes, the minimum pit stop time remains at 60 seconds.
