Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

Q 12.21.4 Causing a collision, repetition of serious mistakes or the appearance of a lack of control over the car (such as leaving the track) will be reported to the Clerk of Course and may entail the imposition of penalties up to and including the disqualification of any driver concerned.

Brief Details:

Following marshal verbal report of an incident at Post 21 involving cars 38, 44, and 69. Hearing held the following Thursday due to hospital visits by the drivers so convened at Brands Hatch. Reviewed in car footage from car 7 (immediately following the cars in the incident), car 3 (just in front but not involved) and then cars 44 and 69. Spoke to Rod Birley (car 44) and Andy Stenning (car 69), and they offered commentary from their in car. I particularly looked at racing lines on previous laps. Car 69 usual line was to move left earlier than he did at the incident. He also commented that he saw both cars coming and expected them to pass to his left. Car 44 said that it was not his intention to go through the gap but following car 3 to clearways and overtake beyond there. During the in car footage i could see initially car 44 fell behind car 3 but then was over half width inside the line but still wholly behind car 3. He then was passing car 69. From the in car i could see a small steering input from car 44 to his right. It was this movement that in my opinion was the cause of the incident.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Disqualified from the results of the race
Number of Licence Penalty Points: 4

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
