# BRITISH GT CHAMPIONSHIP

## RACES - 9 (60 MINS), 15 (60 MINS)

### TECH SPEC

#### DESCRIPTION

The UK's premier national GT championship, which enters its 32nd season in 2024, staged the first of its 300+ races in 1993. Grids of wildly different machinery loosely grouped into vibrant classes comprising sports cars and saloons prevailed until the arrival of GT1 and GT2 in the late-90s. The foundations for British GT's current GT3/4 format were laid in 2004 when SRO Motorsports Group began managing the championship.

#### POINTS

One-hour races: 25, 18, 15, 12, 10, 8, 6, 4, 1  
Two-hour races: 37.5, 27, 22.5, 18, 15, 12, 9, 6, 3, 1.5

#### PITSTOP SPECIFICS (1 HR RACE)

GT3 cars must make their mandatory driver change at 22-32 minutes, while GT4's pit window is 28-38 minutes.

Mandatory Pitstop Times (pit-in to pit-out)  
GT3: 70s | GT4: 100s

#### Pitstop Compensation Time

None will be served in Race 1, the top-three from which must serve Race 2 time on the basis of:

10s - 1st Race 1, 07s - 2nd Race 1, 05s - 3rd Race 1

All GT4 Silver Cup entries must serve an additional 14s during their mandatory driver changes and carry 25kg of ballast.

#### LAP RECORDS

# GB3 CHAMPIONSHIP PARTNERED BY THE BRDC

## RACES - 2 (14 LAPS MAX 20 MINS), 7 (14 LAPS MAX 20 MINS), 12 (16 LAPS MAX 25 MINS)

### TECH SPEC

#### DESCRIPTION

The GB3 Championship is aimed at young drivers targeting a future step up to FIA F3 from FIA F4 championships, and graduates from junior single-seater categories.

#### SPECIFICATION

The Tatuus MSV-022 single-seater cars are completely identical and are powered by a 2-litre Mountune engine producing a 250bhp. The latest car has a significant increase in downforce of around 25% compared to the previous model.

The cars feature a highly adjustable front-wing and two-piece rear wing, and an F1-style front splitter and rear diffuser, plus a drastically revised aerodynamics package. It features a six-speed sequential gearbox with paddle shift provided by Sadev and fitted with a limited-slip differential, unique to GB3. Tyres are provided by Pirelli. The new cars meet contemporary FIA criteria, including the addition of the halo, improved side impact protection and anti-intrusion panels.

#### WEEKEND FORMAT

This weekend features one qualifying session and three races. The first two races are to a 20 minute duration, while the third race is 25 minutes. The grid for the first race will be based on qualifying order, while each driver's second fastest time from the session will determine the grid for race two. The grid for race three will be set in order of the Driver's fastest lap achieved in qualifying as published in the official Qualifying results, but with the order of the top 12 fastest times reversed, followed by the remainder in fastest to slowest order. Any grid place penalties imposed for race three will be applied after the reversal of the top-12 drivers.

#### POINTS

Points are awarded in races 1 and 2 of each weekend as follows: 35-29-24-21-19-17-15-13-12-11-10-9-8-7-6-5-4-3-2-1 to the top 20 finishers. Points are awarded in race 3 of each weekend as follows: 20-17-15-13-11-10-9-8-7-6-5-4-3-2-1, with points also awarded for positions gained in the race. So for example, if a driver started eighth and finished first, they would gain a total of 27 points.

# GB4 CHAMPIONSHIP PARTNERED BY THE BRDC

## RACES - 4 (12 LAPS MAX 18 MINS), 10 (12 LAPS MAX 18 MINS), 16 (12 LAPS MAX 18 MINS)

### TECH SPEC

#### DESCRIPTION

The GB4 Championship, partnered by the BRDC, is a cost effective single-seater category aimed at young drivers targeting a future step up to GB3 or other single-seater championships, and experienced karters or club racers looking for their first taste of single-seater racing.

#### SPECIFICATION

The FIA homologated Tatuus-Abarth F4-T014 single-seater cars are completely identical and are powered by a turbocharged 1.4-litre Autotecnica Motori (Abarth) engine producing 160bhp.

The cars feature adjustable front and rear wings, and a six-speed sequential gearbox with paddle shift provided by Sadev with Magneti Marelli electronics. Tyres are provided by Pirelli.

The car includes FIA-approved carbon fibre front and rear impact structures, side impact panels and HANS-compliant FIA head restraints.

#### WEEKEND FORMAT

This weekend features one qualifying session and 3 races (each race 12 laps/max 18 mins). The grid for the first race will be based on qualifying order, while each driver's second fastest time from the session will determine the grid for race two. The race three starting order will be the reverse order of the fastest times achieved in qualifying prior to any penalties applied during or following qualifying. To be included in the reversal, each driver's fastest lap time in qualifying needs to be within 103% of the overall fastest lap.

#### POINTS

Points are awarded in races 1 and 2 of each weekend as follows: 35-29-24-21-19-17-15-13-12-11-10-9-8-7-6-5-4-3-2-1 to the top 20 finishers. Points are awarded in race 3 of each weekend as follows: 20-17-15-13-11-10-9-8-7-6-5-4-3-2-1, with points also awarded for positions gained in the race. So for example, if a driver started eighth and finished first, they would gain a total of 27 points.

#### COSTS

A complete car including engine, costs around £28,500 plus VAT. Parts are also very competitively priced.
