

# DONINGTON PARK CLASSIC MOTORCYCLE FESTIVAL

DoningtonPark

29/30 JULY 2023

## SPECIAL GUESTS

### **Jamie Whitham**

Jamie Whitham will be at the Festival on the Sunday for a spot of commentating, machine judging, autographs, grid walk interviews and presenting trophies on the podium. And if he gets the offer of a bike, is up for joining Rory and Alex on track.

### **Rory Skinner**

Having had a try out on Robin Lamb's 500 Grand Prix Pulse earlier in the year, Moto 2's Rory Skinner can't wait to try it out down Donington's Craner Curves at the Festival. The Pulse was one of the last of the V4 500 two strokes before the change over from Grand Prix to the Moto GP of today. Jason Vincent campaigned the bike for Dave Stewart's Pulse GP Team in 2001.

### **Alex George**

Alex George is looking forward to his outing at Donington Park, where he has a number of machines to choose from including a 750 Triumph Triple, 500 Seeley G50 and the 750 Ducati TT2 see here exiting Charlie 2 at Cadwell Park last month.

### **Freddie Sheene**

Barry Sheene's son Freddie will be racing at Donington in the Lansdowne races.

### **Glen English**

2003 F.I.M. World Classic Bike Champion Glen English has a busy weekend planned with twelve races on his TZ Yamaha and Matchless G50 machines

### **Lara Small**

Army reservist Lara Small has landed a Supermono ride on a factory Kramer bike for this meeting.

### **James Walker**

James Walker is having an all too rare race outing on his 1967 factory V4 Jawa in the 350 Classic races.

### **Alan Cathcart**

The renowned Motorcycle journalist will be testing the very bike that Barry Sheene won his last race on at the Goodwood Revival meeting.
