DESCRIPTION

The UK's premier national GT championship, which enters its 31st season in 2023, staged the first of its 300+ races in 1993. Grids of wildly different machinery loosely grouped into vibrant classes comprising sportscars and saloons prevailed until the arrival of GT1 and GT2 in the late-90s. The foundations for British GT's current GT3/4 format were laid in 2004 when SRO Motorsports Group, which celebrates its 20th season in charge this year, began managing the championship.

TECH SPEC

DESCRIPTION

The GB3 Championship is aimed at young drivers targeting a future step up to FIA F3 from FIA F4 championships, and graduates from junior single-seater categories.

SPECIFICATION

The Tatuus MSV-022 single-seater cars are completely identical and are powered by a 2-litre Mountune engine producing a 250bhp. The new car has a significant increase in downforce of around 25% compared to the previous model.

The cars feature a highly adjustable front-wing and two-piece rear wing, and an F1-style front splitter and rear diffuser, plus a drastically revised aerodynamics package. It features a six-speed sequential gearbox with paddle shift provided by Sadev and fitted with a limited-slip differential, unique to GB3. Tyres are provided by Pirelli. The new cars meet contemporary FIA criteria, including the addition of the halo, improved side impact protection and anti-intrusion panels.

WEEKEND FORMAT

This weekend features one qualifying session and three races. The first two races are to a 20 minute duration, while the third race is extended to 25-minutes for 2023. The grid for the first race will be based on qualifying order, while each driver's second fastest time from the session will determine the grid for race two. The race three starting order will be the reverse order of the fastest times achieved in qualifying prior to any penalties applied during or following qualifying. To be included in the reversal, each driver's fastest lap time in qualifying needs to be within 103% of the overall fastest lap.

POINTS

Points are awarded in races 1 and 2 of each weekend as follows: 35-29-24-21-19-17-15-13-12-11-10-9-8-7-6-5-4-3-2-1 to the top 20 finishers. Points are awarded in race 3 of each weekend as follows: 20-17-15-13-11-10-9-8-7-6-5-4-3-2-1, with points also awarded for positions gained in the race. So for example, if a driver started eighth and finished first, they would gain a total of 27 points.

TECH SPEC

DESCRIPTION

The GB4 Championship, partnered by the BRDC, is a cost effective single-seater category aimed at young drivers targeting a future step up to GB3 or other single-seater championships, and experienced karters or club racers looking for their first taste of single-seater racing.

SPECIFICATION

The FIA homologated Tatuus-Abarth F4-T014 single-seater cars are completely identical and are powered by a turbocharged 1.4-litre Autotecnica Motori (Abarth) engine producing 160bhp.

The cars feature adjustable front and rear wings, and a six-speed sequential gearbox with paddle shift provided by Sadev with Magneti Marelli electronics. Tyres are provided by Pirelli.

The car includes FIA-approved carbon fibre front and rear impact structures, side impact panels and HANS-compliant FIA head restraints.

WEEKEND FORMAT

This weekend features one qualifying session and 3 races (each race 12 laps/max 18 mins). The grid for the first race will be based on qualifying order, while each driver's second fastest time from the session will determine the grid for race two. The race three starting order will be the reverse order of the fastest times achieved in qualifying prior to any penalties applied during or following qualifying. To be included in the reversal, each driver's fastest lap time in qualifying needs to be within 103% of the overall fastest lap.

POINTS

Points are awarded in races 1 and 2 of each weekend as follows: 35-29-24-21-19-17-15-13-12-11-10-9-8-7-6-5-4-3-2-1 to the top 20 finishers. Points are awarded in race 3 of each weekend as follows: 20-17-15-13-11-10-9-8-7-6-5-4-3-2-1, with points also awarded for positions gained in the race. So for example, if a driver started eighth and finished first, they would gain a total of 27 points.

COSTS

A complete car including engine, costs £28,500 plus VAT if purchased from MSV. Parts are also very competitively priced.

TECH SPEC

BACKGROUND

The Michelin Ginetta Junior championship is the UK's longest running and most prestigious Junior racing series. Offering the first step on the motorsport ladder for 14-to-17-year-old racing drivers, it gives aspiring teenage drivers the experience of a lifetime, kick-starting their journey towards racing stardom. The motorsport world is full of racing stars who started their careers in the Junior championship.

THE GINETTA G40 JUNIOR CAR

Based on Ginetta versatile G40 platform, the G40 Junior car offers a perfect introduction to racing for karting graduates and motorsport newcomers alike. The same spec championship grid run with controlled Michelin Road tyres, Quaife racing drivetrain and sequential gearbox. The 100bhp sealed racing engine powers one of the safest junior race cars in the UK with a T45 tubular chassis and integral safety cage built to FIA standards and ATL FIA racing safety fuel cells.
