Clerk of the Course Decision

Circuit:	Snetterton 300	Date:	13-07-2024
From:	Peter Daly (106814)	Clerk of the Course	
To:	Academy Motorsport	Competition No:	61
Race Title:	British GT Championship - Free Practice	ASN:	Motorsport UK
Time of Issue:	11:51	Licence No:	278090

The Race Director received a report that the Team was seen draining fuel from their cars (#61 & #62) during Free Practice. The Championship regulation (CR37.2.1) has a clear statement that the refuelling of cars is forbidden during free practice, pre-qualifying and warm up sessions. Discussion with the team manager highlighted that they were not "refuelling" but actually draining fuel from the car and then adding some of that same fuel back. This was not the action of adding new fuel, something they argued as would be "refuelling". The Race Director discussed the terminology and actions witnessed with the Championship Eligibility Scrutineer. No further action will be taken in this regard. The Team Manager has been spoken to.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
