In Saturday's race contact was reported between cars 28 and 85 which was considered separate to the earlier contact involving multiple cars in turn 2. Interviewed both drivers independently and reviewed their in car cameras. Could see that car 28 suddenly moved left although no steering input could be seen. On reviewing circuit CCTV car 28 got a small tag on the rear from a recovering a spinning car which caused him to contact car 85. Therefore contact was unavoidable.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
