The driver of Car 1 was unable to provide video evidence of the qualifying session.

Driver advised that the camera has been faulty with a proven defect.

Evidence used to confirm this is a series of recent emails with the camera manufacturer - reporting a series of faults.

I deem this evidence as acceptable to prove the defect, and therefore find this a No Further Action

Driver has been advised to use an alternative on-board camera for remainder of the meeting.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
