Reviewed contact between cars 3 and 5 at clearways towards end of race. Reviewed circuit CCTV which showed contact in distant but too far to reach a conclusion. Reviewed in car of car 5 which showed car 3 alongside and the contact but not clear on whether blame could be apportioned. Reviewed footage of car 3 which failed due to a battery malfunction before the incident. Therefore I was unable to find sufficient evidence on the balance of probabilities that either driver was predominately at fault for the contact. Therefore No Further Action.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
