Car 91 made contact with the rear of Car 40 on the entry to the Esses. On board footage from Car 91 reviewed, on board footage from car 40 wasn't available,, both drivers were also interviewed. Driver of Car 40 explained that due to the low sun and reduced visibility, he slowed earlier than normal which caught out Car 91, resulting in the contact. Having reviewed all of the evidence I find this to be a racing incident, so no further action is required.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
