Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

H32.1.4 Competitors and their service/pit assistants must at all times obey the instructions of an authorised official of the meeting

Brief Details:

Following a report by the chief startline marshal, the Clerk of the Course (Paul Golding, MSUK 178235) became aware of an incident involving car 55 and the chief startline marshal.

The incident can be summarised as follows:

1. Car 55 stalled on the grid at the start of United Formula Ford race 2.
2. The car was requested to be pushed onto the grass by race control, the chief startline marshal agreed to do this and relayed his instructions to the driver.
3. The driver wished for his team to come onto the grid to assist restarting the car, when this request was denied the marshals started he started pushing the car. The driver of car 55 restarted the car in the belief he was to drive the car to the side of the circuit.
4. The chief startline marshal's proximity to the car when it was moving meant that the car ran over his foot and then "dragged" him along, causing physical injuries to the chief startline marshal.

The chief startline marshal, chief pit lane marshal, the driver, Paul Parkin (MSUK 239959) and Paul Golding watched the footage from car 55 and discussed in particular the audio.

It was decided that the driver of car 55 was in breach of regulation H32.1.4. The penalty for this is disqualification from race 2 of United Formula Ford.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Disqualified from the results of the race
Number of Licence Penalty Points: 4

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
