

MCRCB TECHNICAL AND SPORTING BULLETIN TSB24-08

Issued 22.06.2024

- **ABK Beer 0% BMW Motorrad F 900 R Cup – Technical Directive**
- **Chief Technical Official appointment**

ABK Beer 0% BMW Motorrad F 900 R Cup – Technical Directive (for immediate application)

2.14.4 Wiring Loom

~~Modification or replacement of the wiring loom is not allowed, except that the wiring loom and the key/ignition lock may be relocated and unused wiring loom elements supplying current to direction indicators, horn, lights, etc may be unplugged and/or disconnected and removed.~~

~~Cutting of the wiring loom is not allowed.~~

Modification or replacement of the wiring loom is not allowed except unused wiring loom elements supplying current to direction indicators, horn, lights, etc which may be unplugged and/or disconnected and removed. Key/Ignition must remain positioned as per the manufacturers homologated machine.

Chief Technical Official

The MCRCB and MSVR have appointed Mr. Alistair Reid as the Chief Technical Official (replacing Mr. Colin Hurst), with immediate effect.
