

MCRCB TECHNICAL AND SPORTING BULLETIN TSB24-11

Issued 25.08.2024

- **ABK BEER 0% BMW MOTORRAD F900R CUP – Heat Races points**

For immediate application

BMW F900R Cup Sporting and Technical Regulations

In both formats A and B.

Each Heat Race will score points for the **2024 ABK Beer 0% BMW Motorrad F900 R Cup** on the format:

12-11-10-9-8-7-6-5-4-3-2-1 with the exception of the final Round which will be: 17-15-13-11-10-9-8-7-6-5-4-3.

IN ORDER THAT EACH HEAT RACE IS EQUITABLE IN THE OVERALL POINTS SCORING VALUES, IN THE EVENT THAT A HEAT RACE IS RED FLAGGED AND NOT RESTARTED – FULL POINTS WILL BE AWARDED AS LONG AS 50% OF THE RACE DISTANCE HAS BEEN COMPLETED BY THE LEADER.

IF THIS IS NOT POSSIBLE THEN BOTH HEAT RACE POINTS VALUES WILL BE HALVED.

Each LCQ Race will score points for the **R&G Challenger Series** on the format: 25-22-20-18-16-14-12-10-8-6-5-4-3-2-1 with the exception of the final Round which will be: 35-30-27-24-22-20-18-16-14-12-10-8-6-4-2.

Each Main Event Race will score points for the **2024 ABK Beer 0% BMW Motorrad F900 R Cup** on the format: 25-22-20-18-16-14-12-10-8-6-5-4-3-2-1 with the exception of the final Round which will be:

35-30-27-24-22-20-18-16-14-12-10-8-6-4-2.

The above modification is after consideration that the HEAT races must both be equitable in terms of their points value at each event. The Cadwell Park Heat 2 race was red flagged after 5 laps completed by the race leaders (56% race distance). The race was not restarted due to the unique logistics of Cadwell Park in a mixed weather situation.

This is fully endorsed by the Promoter/Organiser, the Championship Manager and the MCRCB and will be applied for the Heat races today (25/08/2024) and for the remaining rounds of the series.
