

2022 SUITE HIRE

*“Our dedicated team will always be on hand to ensure that every time you entertain, the day runs like clockwork”*

## INTRODUCTION

**WATCHING FROM THE TRACKSIDE IS ONE THING, BUT HAVING YOUR OWN PRIVATE HOSPITALITY SUITE PUTS YOU AND YOUR GUESTS ABOVE THE CROWDS, WITH COMFORTABLE FACILITIES AND OUTSTANDING CATERING. THERE'S NO BETTER PLACE TO EXPERIENCE THE SUPERB LINE-UP OF EVENTS THAT TAKES PLACE AT DONINGTON PARK EVERY SEASON.**

Naturally, our suites have been designed to offer superb views of the racing and are positioned along the start/finish straight – right in the heart of the action in the Paddock. You are also free to personalise and brand your suite to gain maximum benefit from your investment.

Our dedicated team will always be on hand to ensure that every time you entertain, the day runs like clockwork.

## REDGATE SUITES

**OUR SUITES HAVE FANTASTIC VIEWS OF THE MOST FRANTIC MOMENTS FOR EVERY RACE AT DONINGTON PARK.**

You'll be right in the heart of the action throughout each event, with direct access to the paddocks and entertainment areas. All suites have an outdoor balcony or terrace, allowing you to immerse yourself even further into the action.

This unrivalled location enables you and your guests to watch the explosive getaways at the start and witness the fight for the lead as the racers filter through Redgate corner, one of the most challenging opening sequences to a racing lap anywhere in Europe. The pit lane exit is also right in front of the suites, meaning for many races you'll also see racers slot back into position as strategy takes hold of the event.

Suites can accommodate up to 25 guests and suite hire includes a comprehensive allocation of tickets for every race event throughout the season. Our on-site caterers supply a wide range of superb menus for you to choose from.
